## SUMMER READING: IT'S IMPORTANT!

Don't let  
your child  
be part of the **SUMMER**  
**SLIDE**

If your child does not continue to read over the summer, he or she may lose the progress made during the school year. Some children slide back as many as TWO grade levels!

Does your child HATE to read?  
**FIRST, STOP** the battle over books and reading!  
**THEN, FIND** ways to make **READING FUN!**

### READ ALOUD

### FAMILY FUN

1. Choose a book you know your child will love!  
Ask your child's teacher for suggestions.
  2. Read with excitement and enthusiasm!
  3. Make it a family time and have a special snack.
  4. TALK ABOUT...
    - New words
    - What might happen next
    - Characters and how they feel
    - Things in your life that are like the book
- THESE ARE THINGS THAT GOOD READERS DO!

LOVE OF BOOKS = MOTIVATION TO READ
